

San Francisco, Dec 28, 97

Dear Comrade

I herewith mail  
you a copy of the Chronicle  
by which you will see  
that we have considerably  
more than held our own  
in the local Election.

There were in all three  
complete tickets in the field,  
and while it is too soon to  
calculate the percentage of  
increase, yet the outlook  
is encouraging. I will  
send complete returns  
when obtainable

Fraternally yours

Oliver Everett
