California State
Executive Committee

SOCIALIST LABOR PARTY

OF THE U. S. OF A.
115 TURK STREET,

San Francisco, Cal.,

August 11 - 1896

Mr. Henry Kubie

Dear Sir and Comrade:

Enclosed
please find money order for \$2.80.
\$1.50 is to pay enclosed bill which
please receipt and forward and 1.00
is to pay for the two dozen Party
emblems received.

I must say I was very disappointed
to receive only two dozen. I had
telegraphed for 1200, and wanted
them for a special occasion - the
City Reunion. They could all have
been sold in a jiffy. Please send ten
dozen more + the balance.

I am extremely busy with State Ex.
work. I am in haste when I got

06513

a little time I will send a more
lengthy report.

We have sent out Comrade Lynch,
who has succeeded in organizing a
Section in Santa Rosa. Hope we will
get the requisite number of signatures
to get on official ballot. Can't tell yet.

Please send me bills for all debts
owing to Natl. Ex. by Branches or
the City Cen. Com. in San Francisco.

The "franchis" heretofore existing will
cease to exist and the memberships be
assigned to assembly-district organ-
izations.

Yours fraternally,
Eddie Hecht.
