Dear Comrade

The bundle of 25 "People" that comes addressed to Walter Walker 1426 Second Ave - for Seattle - and of date May 21 did not come this week.

We ordinarily get them Tuesday - That is we should have got them May 23 or 24 at latest, so we fear they will not come & would like a duplicate bill.

Just now we do not care to miss a single issue of the "People"

Fraternally

Emma Goldman "Anarchist" is billed for 2³⁰ P.M. Sunday & Monday night at Germania Hall Seattle and next week at Tacoma. I hear "Boomer" is to meet her in debate - We meet Sunday 8 P.M. in Masonic Temple - a fine large hall.
