Henry Kuhn, Sec. N. E.

dear comrade.

I enclose a check for \$25.10 for which please send me 500 due stamps. The ten cents will pay for the collection of the check, and be less trouble to me than getting a money order.

Comrade Bersford has seen the librarian of the Public Library in this city, who has agreed to put on file in the reference room all volumes of the "People" that you may send him.

fraternally yours.
