

South Tacoma Wash May 21<sup>st</sup> 99.

Mr. Henry Kuhn. Nat Secty S.L.P.  
Dear Comrade!

I will just send you these few words for information. George C Boomer is to day expelled from Section Tacoma S.L.P. It was a fierce and long lasting struggle beginning at 10 o'clock this morning and ending 7 P.M. Thom Lawry was down here from Seattle. but had to leave before we was done. We were 13 Members present. The Vote stood 8 for his Expulsion and 4 against. Our Organizer then one of the 4. Two Members Forsythe and Traskewsky resigned and withdrew from the Party. Eggers seems to like to stay. — It was a surprise I dare to say to all sides, because Boomer did not expect to be expelled, and we did not expect to be able to expell him. However it seems like nearly all his Friends had deserted him, only 3 of them were present. the 4<sup>th</sup> vote he got was from a German Comrade Fraemke who use to stand on our side but is angry now about the "N. Y. Volks Zeitung" Trouble. The Rest of the German Comrades are affected the same way, and stayed home. Section Tacoma is purified pretty well now, we shall all do our best to get over the dulness and weakness which certainly will follow the severe strain. During Boomers Stay in our Section from the beginning to the end, is one dark Page in our Sections history, we are now langing, hoping and Working for brighter Days. — —  
Yours faithfully C. Larsen.

Frank Martin our Secty will send you details about the whole affair
