Comrade I am late with my report on account of this being a new Section and everything is not yet in perfect working order, in the short time we have been organized we have done all we possible could to advance Socialism, but we are laboring under disadvantages on account of not having any speakers in our Section and consequently had to draw on San Francisco Comrades to speak for us, but I believe that our Section have come to stay and do not

see anything that could
prevent the steady growth of
Socialism here as well as
all over the Country, I
should be pleased to receive
any advise or Instructions
that would be usefull to
a new Section.

Yours Truly
