Henry Kuhn -

Secy Nat. Campaign Com. S. L. P.

184 Williams St. New York City -

Comrade -

At a special meeting of Section Oakland S. L. P. on Sept. 13th, the work of the last National Convention was submitted to the section for its Referendum Vote, and every question was carried unanimously - except Nos. 15 & 16 - upon which no action was taken - as our section was not sufficiently familiar with the matter to be considered - to feel justified in taking any action thereon.

The Socialists are making a great effort to get upon the official Ballot in this state - and think we will succeed -

No action has as yet been taken as to the National Campaign Fund -

by our Action. but it will probably
be considered at our next regular
business meeting. and I will then
communicate to you the result.

Yours, Fraternally
Jean P. Kellogg.
Secy.
