

# S PLENTY OF PEP IN LABOR'S CAMPAIGN

## Meetings With Number From Now til Last Vote Issued

Provincial Library  
Dec. 31/11

Campaign Manager Helena Gut-  
teridge, of the Van section of  
the B. C. F. of L., announces that the  
first meeting of the campaign in Van-  
couver South will place next  
Tuesday evening, Nov. 13, in Fraser  
hall, corner Fraser and Forty-eighth  
avenues, when Candidates McVety and  
Midgley will address the meeting.

The Victoria election committee of  
the B. C. F. of L., will open its cam-  
paign tomorrow evening in the Capital  
City. E. T. Kingsley, associate editor  
of The Federationist, will be one of  
the speakers, along with Candidate A.  
S. Wells.

Every wage-worker in the province  
should attend the Labor campaign  
meetings of the next few weeks, so  
that they will hear first hand a whole  
lot of things that even The Federa-  
tionist cannot put into print.

Remember: The real "indoor sport"  
begins after Nov. 10. There IS a  
reason!
