### **Regular Monthly General Meeting of Vancouver Branch Will Be Held in New Office**

The regular monthly general meeting of the Vancouver branch of the Federated Labor Party will be held next Tuesday evening in the new offices of the party. For the last two years the F. L. P. headquarters have been located at 510 Dominion Building, but from May 1 headquarters will be in room 706 Dominion Building, two floors higher in the same building. The executive committee will meet in 706 every Tuesday and the general meeting will be held there the first Tuesday of each month. The report of the committee in charge of the Labor School, which finished its second season last Sunday, will be presented at the general meeting. As there are some important matters coming up a large attendance is expected.
