

E. T. KINGSLEY TO SPEAK ON SUNDAY

Federated Labor Party to Hold Sunday Evening Meetings

Next Sunday evening at 8 o'clock Comrade E. T. Kingsley will open the winter meetings of the Federated Labor Party. The meetings are to be held in the new headquarters of the F. L. P. at 148 Cordova Street West. Comrade Kingsley will take as his subject, "The Break of Capitalism." There will be a large stock of literature on sale at all meetings.

Contributions to the lending library being organized by the party are piling up steadily and from the class of books that has been secured so far it is safe to say that the library will be "one of the best." The books will be made available as soon as proper accommodation and cataloging are arranged.

A Hallowe'en social and dance will be held at the party headquarters on Saturday, October 30, at 8 p.m. A good programme is being arranged, which will include a short informal concert and a dance from 10 to 12 p.m. Refreshments will be served. A general good time is the idea.
