Editor Socialist.

Many errors creep in from so-called not class-conscious Socialists in the movement of Socialistic thought.

I give you one incident to clear up some minds as to some of our would-be Socialists in this district.

As you are aware, the elected member of this city recently made a swell speech on Labor day in the city of Victoria. Referring to Socialism, he said it was the only solution of the existing evils.

Now, some of these so-called Socialists are blowing about our great member, Mr. Hawthornwaite, that he is the man—he is a Socialist.

I want to state right here that he has nothing to do with our party. He was nominated and is yet the candidate and member of the provincial parliament of the capitalist Labor party.

Please insert these few lines in your paper to show the new Locals in British Columbia that we are out for the class struggle. Yours truly,
