VANCOUVER, B. C., JULY 24, 1932.

The man of one idea is always in danger of being laughed at by people who have none.

The workers give and the workers will take away. This is the Socialist answer to men who have contacted the natural resources of our country.

From private reports to hand it is evident that the "too" old parties in Winnipeg decided to agree to disagree on minor points, as to which should act as executive for the owning classes, for one candidate.

The property owners of many localities are organizing to "protect" their property. This is a cover to an organization to fight the laboring classes.

In a shoe factory in Lynn, Mass., a pair of shoes was turned out in 15 minutes on 43 machines.

The writer ran across a few workers during the past week who are a little particular as to who fleeces them.

With Socialists it is different. Being truly patriotic we recognize that the human interest is the common interest.

Every workman should get on the voters' list by August 11th, less than a month away, and then vote for Socialism, so that very soon they will have an opportunity to get acquainted with their families in a home fitted with all modern appliances.

"Why do the miners drink so," asks a well meaning correspondent on the island. A man working all day in a mine can't afford to buy any of the necessities of life.

The Socialist can heartily agree with the worker who proclaims "no politics in the union." Certainly not, if Socialism we want.

It will require more than the old method. Also methods used by literary propagandists such as the editor of the Herald.

Straws in the Life Stream

Telephone B-24 for your job printing. Organizer Kingley, Socialist hall, Saturday and Sunday next.

Let the "Western Clarion" print your printing. Only one kind—the best.

Arrangements are being made by the B. P. of B. C. to issue The Clarion at a semi-weekly interval after October 31st, if possible.

Workers! You should hear Organizer Kingley next Saturday and Sunday evenings in the Socialist hall, 44 Hastings street.

Victoria Local, Socialist Party, will discuss "Social Ethics" next evening, Mrs. G. Weston Wisley reading a paper on that topic.

The Cumberland Miners' Union is issuing a weekly bulletin in the interests of the striking miners. "The Truth" is mighty, and must prevail.

Organizer Ogle is in the Fish Creek area, and doing good work for the Socialist Party, and for Candidate Bennett of Revelstoke.

For private reasons, Alexander McParson has declined the nomination at the hands of the local labor ticket. J. Edwards has been elected to the vacancy.

It is altogether probable that the Socialist Party of B. C. will hold their annual provincial convention in Vancouver on Labor Day. A referendum is now being taken.

Comrade Pettipiece returned from Victoria Monday morning and addressed three successful meetings, the first, an open air, on Saturday evening, the second, from a stump, and the third, on Sunday afternoon, and the third, in Labor hall, on Sunday evening.

The fifth annual picnic of the Street Broom employees of Vancouver, B. C., will take place at Jucker Bay's ranch, on Monday next, July 27th. R. P. Pettipiece is chairman and G. A. Dickie secretary of the organizing committee. A guarantee in itself that the affair will be a pleasurable success.

Comrade Burns, one of the provincial executive committee of the S. P. of B. C., announced at last meeting of Vancouver Local that the membership of the Party had more than doubled in the last three months. The duties of the provincial secretary are such that an assistant will have to be secured.

At the regular meeting of Vancouver Local on Wednesday evening a campaign committee of seven was elected, with R. P. Pettipiece as chairman, and secretary pro tem, to whom all communications relating to the campaign should be addressed. As already announced, the committee rooms will be at the Party headquarters, 44 Hastings street. The Local also completed arrangements for Organizer Kingley's meetings for to-morrow and Sunday.

The Socialist movement in Victoria is making remarkable progress, when one considers the odds against it. Every week and the Socialists in every "Van" candidate is in the field in the coming provincial election. The comrades working hard with voice, pen and money to place their message, industrial freedom—upon which all other freedom depends—before the workers. Know the facts, and make Socialists their slogan.

Com. Edwin R. Ault, of Equality, was a visitor at the Clarion office last Thursday and Friday. He had just come up from Tacoma. He and the Socialist convention was held, and the "growing" report of the progress of Socialism. Ault held a large group of Socialists last week in the job room of the Teller. Ault thought a young man, Comrade Ault is prominent in the philosophy of Socialism, and an enthusiastic worker.

The Victoria branch of the Socialist Party has elected the following officers for a rotating term of six months:

Black Sikaline Underwear. There is a big demand for this underwear among the RAILROAD men. STEAMSHIP MEN, and ALL the YOUNGS generally. Just to be sure, send us a 25 cent note this underwear to all sizes.

Johnston, Kerfoot & Co. Clothing, Furnishing, Hats, Caps, Trunks and Valises. Clothing Store, 103, 106 Cordova Street. Book Store, 127 Hastings Street.

months: Organizer G. W. Wrightley, vice chairman, James Davis; recording secretary, A. E. Mottram; corresponding secretary, L. Lewis; financial secretary, W. B. Christopher; life secretary, H. Burnett; executive committee, A. A. Stone, J. W. Watson, Mrs. C. J. Clayton, George Oliver, H. Williams and G. D. Oliver.

The situation here remains unchanged. Strike effort on. We are awaiting the operation of the temporary education. The mine inspector has been instructed to proceed with prosecutions. If he does not, we are going to proceed. Men here are beginning to realize that there is no law where the capitalist class is concerned, and that they will be enforced against the working class in a concerted and organized manner. A "Cumberland correspondent."

For the first time in the history of the Clarion a special edition, a campaign number, will be issued on October 31st. Special articles, from the pen of the most noted Socialist writers in the world, will be distributed, all dealing with why the workers should be straight. It will be excellent leaflet for campaign/distribution, and if ordered at 75 cents they will be run in the edition up to at least 25,000. Free orders in early, and arrange for distribution to the best possible advantage.

John T. Lawrence of Grand Forks, sends in a tidy bunch of sixteen subscribers this week and says they will want a bundle later on.

Secretary Lang never forgets the work. Two new readers are started on the right way by him this week.

"We are doing things here. Please increase our bundle order to 100 per week," says a Revelstoke worker this week; and so the work goes on.

The Victoria comrades are here with the goods. Just as The Clarion goes to press an order for ten shares of Western Book Publishing Company stock, and the cash accompanies the order too.

Com. Walsh reports progress from about and sends in the names of two new men who will honorably attend the travelling Socialist seminary in Victoria. The travelling seminary Flack block, Vancouver, and throughout the province disseminating Socialism knowledge and news.

Elected and \$175 on account Local Victoria for printing. Hope you will be over again at an early date repeat the dose; it is good, and I think will result in much good. We have derived a great benefit from your able address. Yours for the real thing—W. B. Christopher, Victoria, B. C.

Mrs. C. M. Grant, Victoria, joins the army of Clarion agents this week, and sends two new names for a year's subscription. The Victoria workers are splendid anyway. Just read the letter from Mrs. Clayton, which appeared in the Socialism Tribune and which I didn't know about "Modern Socialism," and which I think is a very good one. The Socialists of this province are repelling to the Clarion's urgent call for subscribers. The Victoria workers are splendid anyway. Just read the letter from Mrs. Clayton, which appeared in the Socialism Tribune and which I didn't know about "Modern Socialism," and which I think is a very good one.

Word comes from Phoenix, Fernie and Revelstoke that they are going to join hands with Vancouver workers who are determined to place their cards on completion of their own independent plant—power—and a larger quarter section of the city. A battle will be as present located. A battle will be as present located. A battle will be as present located.

A LIVE SUGGESTION: Editor of Western Clarion. The moment seems opportune to draw the attention of the comrades to the publisher, and comrades generally, to the large amount of copy that is done the case in general. Just that the local press in particular, through the local Socialist press in particular, through the local Socialist press in particular, through the local Socialist press in particular.

The local press are indispensable to the movement, especially during local political campaigns. The cheap national papers, while doing good work, are

by no means so essential to the cause. I would suggest in the comrades to publish rather than that of an outside publication over which the party has no control. If you need bundle orders, patronize your local paper; it may cost you a few cents more, but the fact that it is written by local men to suit local conditions will make it a much more effective means of propaganda. No more support should be furnished these twenty-five cent a year publications until they raise their subscription price to a reasonable sum—say fifty cents a year—the lowest price at which it is possible to publish a paper whose circulation does not run into the hundreds of thousands, under fair conditions, and pay living expenses.

At nearly all points on the continent the official party press constitutes a serious drain upon the financial resources of the party and they can be made self-supporting to exist in this unfair competition excepting to be yours for the cause.

ERNEST BURNS.

THE "GEESE" Of all the creatures on this earth There's none so silly as the geese That lay the golden eggs.

Not dressed in feathers, like the geese But clad in rags, producing things Who sell their skill and toil, For just enough to keep on top Of old earth's sunny soil.

A few rich men own all the earth, And oh! I wish you'd see, Shall they grab all the golden eggs From weak geese and from strong?

A working goose may change his boss When he is new one finds. But any boss and every boss For still more profit greeds.

The landlord and the merchant, too, The banker and the priest, All try to grab the golden eggs, And thus their geese are freed.

Why under heaven don't these geese Take all the land and tools, And own the products of their toil? And not be such big fools?

The earth by right belongs to all Who live upon it now, And when they see just what it is, They'll be a wiser crew.

Don't tell me of the "man and hoe," The "brother of the soil," These geese will fly upon the rugues In mad reckless frolics.

These geese that lay the golden eggs Will soon prevent all loss, By laying out for themselves Instead of for their boss.

Yes, then their every living hour, They will use what they now lose In profit, interest, rent.

Socialists contend for the social or collective ownership of such means of production and distribution, and their operation for the common good.

NO HOMEWORK. All our instruction is practical. Our students "learn by doing" and this doing must be done and is done under the constant supervision of an experienced teacher, otherwise you would get into bad habits. That is why we can train faster than anybody else. Furthermore we work you pretty hard during the course hours and we insist on your resting at home. Remember that our school guarantees positions and we have to have you at the end of the course. We will not start a student unless you would get into bad habits. That is why we can train faster than anybody else. Furthermore we work you pretty hard during the course hours and we insist on your resting at home. Remember that our school guarantees positions and we have to have you at the end of the course. We will not start a student unless you would get into bad habits.
