The campaign issue of the Clarion will be that of November 13th. Besides other special matter, it will contain articles by Comrade Parker Williams on that railroad policy, and by Comrade O'Brien dealing with the farmers' position. Orders should be sent in at once. The price will be 70 cents per 100 postpaid to any address in Canada, in bundles of not less than 100.

Comrade Hawthornthwalte started the ball rolling at Victoria by addressing a bumper meeting at the Grand Theatre. The Socialist candidate, George Oliver, also spoke, and prospects look very bright for a good, strong poll.
